

## INTRODUCING OUR HOTTEST PRODUCT!

**Plug and Play USB and  
Micro USB OTG  
Mini Portable Fan for  
Android Smartphone, Iphone,  
Laptop and PC**

## Custom Cell Phone Fans

These environmentally friendly, child safe soft PVC fans operate from the charging port of your **Android** or **Apple** phone. They produce ample airflow to keep you cool. With a FREE Included One Color, One Blade imprint, you can be sure that your customers are thanking you every time they plug your fan into their phone!

Beat the heat and beat your competition to the retail outlets by contacting us with your order today!
